INTERNATIONAL

Welcome

Make it memorable with Melamine.

Steelite International has further developed its Selected for You offer of sourced products to bring exciting ranges of premium melamine displayware and dinnerware to the market. Responding to growing demand in the hospitality and retail markets for innovative display solutions Steelite International work with Southern Californian based partner company Elite Global Solutions to provide a stunning collection of outstanding quality melamine pieces.

Our Creations collections of products, available in various materials, from melamine to wood are designed by Steelite designers exclusively for Steelite International. These exclusive items can be identified by the Creations backstamp which also identifies the origin source.

To extend our melamine offering under our Creations brand we've taken inspiration and qualities from our popular ceramic shapes to develop new melamine ranges that are ideal displayware solutions for buffet and counter serve environments. The development of these exciting new ranges further enhances our commitment to offering excellent quality products that can fulfil the gaps that ceramic products cannot.

All our melamine dinnerware products are NSF & SGS approved chip and stain resistant, dishwasher safe and made to handle both hot and cold food. The displayware is used in many of the world's forward-thinking hotels, restaurants, food service operators, supermarkets and caterers to enhance their offer and customer experience. Our dinnerware collection gives added flexibility to operators who work within challenging service environments and struggle to find the perfect solution for their needs.

COUNTER SERVE

The extensive range of counter serve solutions provide a portable, effective means of food merchandising. Gastronorm platters make stunning presentations, whilst the additions of Scoop or Sheer bowls on the stylish risers provide merchandising opportunities to enhance any counter serve operation.

Using the hot Mediterranean range Hot Cha Cha with their practical shapes and sizes will make any self-serve retail or service outlet stand out from all others. The addition of the stylish and modern Foundations slotted or solid spoons are an essential ingredient for any counter serve operation.

BUFFET

Buffet is changing, it is exciting and new. New concepts like buffet fresh are changing the demand on buffetware suppliers, quick change-overs and smaller, fresher product means a shift towards manageable display solutions. From the practical and appealing presentations possible with Driftwood boards, to the stunning effects possible with the Risers, melamine is a perfect solution to the demands of a buffet operation.

For space saving solutions the new Zest platters, Scoop and Sheer bowls, in conjunction with the rubber pedestals make any buffet presentation look appealing and memorable.

DINNERWARE

The dinnerware ranges are perfect solutions to challenging service environments such as leisure and poolside, hospitals, and schools. The earth tone colours and visual richness of the Hot Cha Cha range of bowls and plates make an attractive sharing solution, with the added benefit of service flexibility and durability.

Zen is a hugely extensive range perfectly suited to an Asian food service offer. The attractive matte finish produces a product with huge tactile and visual appeal. The standard service items are beautifully complemented by interesting accessory pieces such as the towel plate, soup spoons and compartment trays.

Features and Benefits

Heavyweight

- Melamine from Elite Global Solutions is typically 20% heavier than standard melamine, producing a stronger, more durable and more aesthetic product.
- Break & chip resistant.
- Handle with care and deliver a stunning presentation, time and time again.

Commercial dishwasher safe

- A great advantage in a busy service environment.

NSF & SGS certified products

- Elite Global Solutions are an NSF approved supplier.
- All our product complies with the SGS testing regime.

Handles hot and cold food

- A versatile product, great for flexibility in whichever environment you work.

Care Handling Instructions

Plastic cleaners are the best

- To keep your melamine products looking great use only non-abrasive plastic pads or plastic-type bristles.

Don't bleach it

- Elite Global Solutions products are dishwasher safe, however it is important to avoid the use of chlorine, chlorine-based detergents or bleach.
- It is recommended that the Rubber Pedestals are hand washed.

Pre-soak

- If necessary pre-soak your melamine products in a high-quality pre-soak dishwashing detergent.

Perfect for ambient foods

- Heating through oven or microwave use is not recommended for your melamine products.
- They can however withstand temperatures up to 100°C.
