Welcome

Steelite International's extensive collection of Melamine products offer exciting and innovative display solutions and service pieces to all dining and retail markets.

Made from premium heavyweight melamine, our tableware, buffet and counterserve ranges provide the perfect platform to present hot, cold, wet and dry food types in chic and unique ways.

Our Melamine ranges fall under two umbrellas'. Those designed and manufactured by our partner company Elite Global Solutions (EGS), and those designed by Steelite. The stunning collections designed by Steelite can be identified by the Creations by Steelite backstamp, which also identifies the origin source.

The development of our Creations by Steelite ranges enhances our commitment to offering excellent quality products that can fulfil the gaps that ceramic products cannot.
